

DAVE SMITH'S 3RD ANNUAL
WILD WEST JAMBOREE
MAY 18, 2017 • 6:00-9:30PM

HORTICULTURE BUILDING, LANSDOWNE PARK

The issue of substance abuse by youth has recently made tragic headlines. It's clear that the need has never been greater for help and support for young people at risk.

For more than 20 years, the Dave Smith Youth Treatment Centre has provided life-saving programs and care to thousands of youth and their families. We know that kids who successfully work through their substance abuse and mental health issues are provided a second chance at life. They can dream of a future. Families are renewed with hope.

But much more is needed and you can help.

I invite you to become a sponsor of our third annual **Wild West Jamboree**. This fundraising hoedown promises to be barrels of fun as we transform the Horticulture Building at Lansdowne Park into a memorable barn party on May 18, 2017.

The past two Jamborees have raised **\$35,000** to help fund youth programs and Dave's Dream Campaign for an all-new, 30-bed residential treatment facility.

I encourage you to check out the sponsorship opportunities attached, and give your heartfelt consideration to helping create positive futures.

Simply complete the enclosed Sponsorship Application and return it to us. For more information or to purchase event tickets, please call 613-594-8333 x1304 or visit davesmithfoundation.org/events.

A huge thank you in advance for supporting Dave's Dream and making a lasting impact in our community!

Sincerely,

David Smith
